

# ASPICON 2021

## ALL INDIA INSTITUTE OF MEDICAL SCIENCES PATNA

**Dept. Of Microbiology**

**Venue: AUDITORIUM**

**Date: 3<sup>rd</sup> & 4<sup>th</sup> Dec, 2021**

Dear colleagues,

It gives us immense pleasure to invite you to the third national conference, ASPICON 2021 – a conference on Antimicrobial Stewardship Practices (ASP) in India, on 3-4<sup>th</sup> December 2021 in AIIMS Patna.

The rise in rates of AMR has left the medical fraternity with limited options to combat the commonly encountered microorganisms in clinical practice. It has now become imperative to optimize the use of antimicrobials to prevent AMR. Antimicrobial stewardship programs with its integrated and coordinated approach can provide a solution to improve patient outcomes.

This conference will serve as a beacon for Antimicrobial Stewardship Practices in our country and also act as a platform for exchange of valuable ideas on best practices in AMSP.

Organizing Committee

## Scientific schedule

| DAY-01: 03/12/2021                      |                                                                                                               |
