

10th Congress of Federation of Indian Physiological Societies (FIPS) AND 10th International Conference of Association of Physiologists of India (ASSOPI)

An International Physiology Conference with the Theme of
**Clinical And Interventional Physiology :
Current & Future Scopes in Indian Scenario**

October 21st to 26th 2024

Organized by:

Department of Physiology, AIIMS Patna

With ASSOPI, Bihar Chapter as Co-host

KEY FEATURES OF THE CONFERENCE: THE FRONTIERS TO BE UNVEILED

1. Expanding horizons of Physiology: Strategies, Challenges and Impact of DM Course in Clinical and Interventional Physiology
2. Revolutionizing Medical Education in Physiology: Physiologists involvement in the implementation of the new Curriculum (CBME, Early Clinical Exposure) in Physiology syllabus.
3. Role of Physiologists in Shaping up National Policies: Promoting Leadership Skill Development among Medical Physiologists.
4. Research Frontiers in Physiology: Advancements, Innovations & Translational Applications
5. Animal Disease Models of Pre-clinical Research: Utilizing the past contributions to Explore the present and future Experimental Medicine.
6. The path of International Nobel Laureates: Experiences of the Living Legends.

SCIENTIFIC PROGRAM AT A GLANCE

10 Workshops, 2 CMEs, 20+ Symposia, 5 KNA, 12+ Plenary Lectures, 15+ Lead Talks, 3 Panel Discussions & many more

21st October 2024 (Monday) (Two parallel sessions each in forenoon and afternoon)

9:00 am to 1:00 pm	1. Interventional Physiology: Deep Brain Stimulation (DBS), Vagal Nerve Stimulation (VNS) & Bio-feedback
	2. Clinical EEG -Recording and Interpretation
2:00 pm to 6:00 pm	3. Classic (Conventional) Autonomic Function Tests & HRV
	4. Electro-Neuro-Myography (NCS & EMG) Assessment and Reporting

22nd October 2024 (Tuesday) (Two parallel sessions each in forenoon and afternoon)

9:00 am to 1:00 pm	1. Intra Operative Neuromonitoring (IONM)
	2. Yoga as Therapeutic Modality
2:00 pm to 6:00 pm	3. Cardiovascular Fitness Assessment
	4. Polysomnography-Recording & Interpretation

23rd October 2024 (Wednesday) (Two parallel sessions each in forenoon and afternoon)

9:00 am to 1:00 pm	1. How to Publish Research Article in PubMed Indexed Journal <i>(Will be conducted by the Editors of the reputed Journals)</i>
	2. Male Infertility Assessment and Reporting
2:00 pm to 6:00 pm	3. Proposal Writing for Grant Project (Extramural Funding) <i>(Will be Conducted by Experts from DST- DBT & ICMR)</i>
	4. Role of Animal Experiments in Research

24th – 26th October 2024 (Thursday to Saturday)

9:00 am to 5:00 pm	1. 5 Key Note Address (KNA)
	2. 4 Orations
	3. 20+ Symposia
	4. 3 Panel Discussions
	5. 12+ Plenary Lectures
	6. 15+ Lead Talks
	7. Award Paper Competitions
	8. Free Paper Presentations and Poster Presentations

Organizing Committee

Chief Patron

Prof. (Dr.) Gopal Krishna Pal
Executive Director & CEO
AIIMS Patna & AIIMS Gorakhpur

Patron

Dr. Prem Kumar
Dean Academics
& Dean Research
AIIMS Patna

Patron

Dr. Anup Kumar
Medical Superintendent
& Dean Examination
AIIMS Patna

Patron

Dr. Punam Prasad Bhadani
Dean Student Affairs
AIIMS Patna

Organizing Co-Chair

Dr. Yogesh Kumar
Professor of Physiology
AIIMS Patna

Organizing Chairperson

Dr. Tribhuvan Kumar
Professor & Head of Physiology
AIIMS Patna

Organizing Secretary

Dr. Kamlesh Jha
Professor of Physiology
AIIMS Patna

Organizing Joint Secretary

Dr. Ganashree C P
Associate Professor of Physiology
AIIMS Patna

Finance Secretary

Dr. Md. Zabihullah
Associate Professor of Physiology
AIIMS Patna

Executive committee

Dr. Manjulata
Faculty I/C, Conf. Secreteriat
Asst. Prof. of Physiology
AIIMS Patna

Dr. Gagan K. Banodhe
Asst. Prof. of Physiology
AIIMS Patna

Dr. Raihan Mannan
Asst. Prof. of Physiology
AIIMS Patna

Dr. T Ravisankar
Asst. Prof. of Physiology
AIIMS Patna

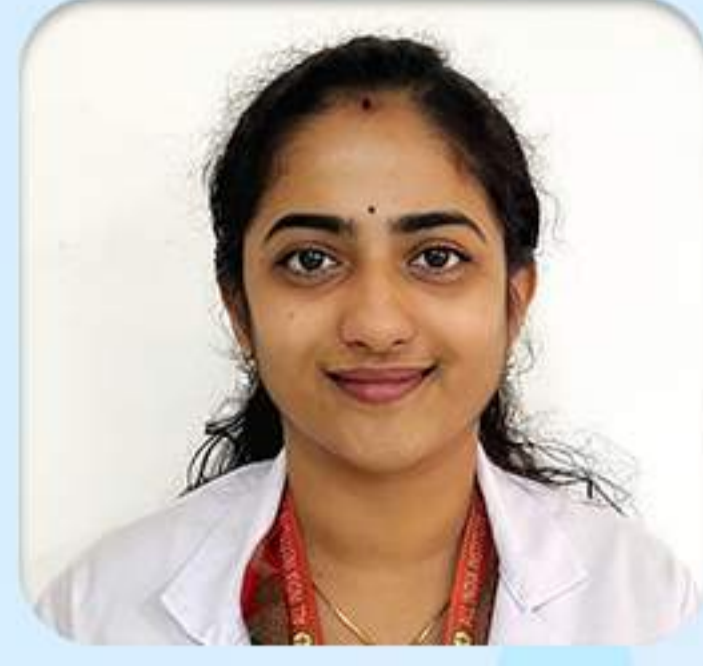

Dr. Kumar Siddharth
Faculty I/C, Conf. Secreteriat
Asst. Prof. of Physiology
AIIMS Patna

Committee Members

Dr. M. Renugasundari
Tutor
AIIMS Patna

Dr. Athira S. B.
Tutor
AIIMS Patna

Ms. Mitali Jha
Tutor
AIIMS Patna

Dr. Ruchi Rani
Senior Resident
AIIMS Patna

Dr. Devika Santhosh
DM Resident
AIIMS Patna

Dr. Nirangjhana
DM Resident
AIIMS Patna

Dr. Retesh Shan
DM Resident
AIIMS Patna

Dr. Saran A. K.
DM Resident
AIIMS Patna

Dr. Dilip Kumar
DM Resident
AIIMS Patna

Dr. Naaz Afreen
DM Resident
AIIMS Patna

Central ASSOPI Advisors

Dr. Shripad B. Deshpande
Founder President ASSOPI
Prof. Emeritus & Honorary Consultant
AIMSR, Chittor, A.P.

Dr. Narsingh Verma
Immediate Past President
Prof. & Head, Physiology
KGMU, Lucknow, U.P.

Dr. Latika Mohan
President, ASSOPI
Prof. & Head, Physiology
AIIMS Rishikesh, Uttarakhand

Dr. Pravati Pal
Vice President, ASSOPI
South Zone
Prof. (Level 15) Physiology
JIPMER, Pudducherry

Dr. Dinesh Kumar
Vice president, ASSOPI
East Zone
Principal, GMC Bettiah

Dr. Hasmukh Shah
Vice President, ASSOPI
West Zone
Prof. & Head, Physiology
PMCK, Gujrat

Dr. Rajkumar Yadav
Vice President, ASSOPI
North Zone
Prof. Physiology
AIIMS, New Delhi

Dr. S. Velkumary
Finance Secretary, ASSOPI
Prof. & Head, Physiology
JIPMER, Pudducherry

Dr. Nitin Ashok John
Editor in Chief ASSOPI Journal
Dean Examination
Prof. & Head of Physiology
AIIMS Bibinagar

Dr. Rituparna Barooah
Joint Secretary, ASSOPI
East Zone
Prof. & Head, Physiology
NEIGRIHMS

Dr. Mrunal Phatak
Joint Secretary, ASSOPI
West Zone
Prof. & Head, Physiology
AIIMS Nagpur

Dr. Sabita Yograj
Joint Secretary, ASSOPI
North Zone
Prof. & Head, Physiology
GMC, Kathua

Dr. Satish Dipankar
Joint Secretary, ASSOPI
South Zone
Addl. Prof. of Physiology
AIIMS Manglagiri

Local ASSOPI Advisors

Dr. Rajiva K Singh
President, ASSOPI
Bihar Chapter
HOD, Physiology PMCH Patna

Dr. Tarun Kumar
Vice President, ASSOPI
Bihar Chapter
HOD, Physiology, IGIMS, Patna

Dr. Yogesh Kumar
General Secretary, ASSOPI
Bihar Chapter
Professor, Physiology, AIIMS Patna

Dr. Kamlesh Jha
Treasurer, ASSOPI
Bihar chapter
Professor, Physiology, AIIMS Patna

Dr. Pandurang M Narhare
Joint Secretary, ASSOPI

HOD, Physiology, ESI, Bihta

Federation of Indian Physiological Societies (FIPS)

Constituent Societies

1. The Association of Physiologists and Pharmacologists of India (APPI)
2. Physiological Society of India (PSI)
3. Indian Society for Comparative Animal Physiology (ISCAP)
4. Society for Animal Physiologists of India (SAPI)
5. Association of Physiologists of India (ASSOPI)

Executive committee

Dr. Shashi B. Singh
Former Director
NIPER Hyderabad
(President)

Prof. (Dr.) G. K. Pal
Executive Director & CEO
AIIMS Patna &
AIIMS Gorakhpur
(Vice President)

Prof. Amar K. Chandra
Professor
Calcutta University
(General Secretary)

Dr. A. K. Dang
Principle Scientist
NDRI Haryana
(Treasurer)

Dr. W. Selvamurthy
Former Chief Controller
DRDO
(Immediate Past President)

Executive Member

Prof. V. Mohan Kumar
APPI

Prof. B. S. Prakash
SAPI

Prof. K. K. Deepak
APPI

Dr. Usha Panjawani
PSI

Dr. (Prof. Retd) K. S. Reddy
ISCAP

Notes:-

1. The constituent society can organize some scientific events in the forenoon of 25th October 2024. The Nodal Officer from each society to be identified and will interact with the conference secretariat for the schedule of the program in advance
2. The Executive Committee Meeting and the General Body Meeting of FIPS will be held on 23rd October 2024 evening and 24th October 2024 evening respectively. The exact time and venue at the conference will be notified in due course of time.

Association of Physiologists of India (ASSOPI)

Central Office Bearers

- President:** Dr. Latika Mohan, Professor & Head, Physiology, AIIMS, Rishikesh, Uttarkhand
General Secretary: Dr. Gopal Krushna Pal, Executive Director & CEO, AIIMS, Patna & AIIMS Gorakhpur
Founder President: Dr. Shripad B. Deshpande, Professor Emeritus & Honorary Consultant Apollo Institute of Medical Sciences & Res., Chittor
Immediate Past President: Dr. Narsingh Verma, Professor & Head, Physiology, King George's Medical University, Lucknow
- Vice-Presidents:** (arranged alphabetically)
East Zone: Dr. Dinesh Kumar, Principal, Govt. Medical College, Bettiah, Bihar
West Zone: Dr. Hasmukh Shah, Professor & Head, Physiology, Pramukhswami Medical College, Karamsad, Gujarat
South Zone: Dr. Pravati Pal, Professor (Level-15), Physiology, JIPMER, Puducherry
North Zone: Dr. Raj Kumar Yadav, Professor, Physiology, AIIMS, New Delhi
- Finance Secretary:** Dr. S. Velkumary, Professor & Head, Physiology, JIPMER, Puducherry
Editor-in-Chief: Dr. Nitin Ashok John, Professor & Head, Physiology & Dean (Exam), AIIMS Bibinagar, Telangana
- Joint Secretaries:**
East Zone: Dr. Rituparna Barooah, Prof. & Head, NEIGRIHMS
West Zone: Dr. Mrinal Phatak, Prof. & Head, AIIMS Nagpur
South Zone: Dr. Satish Dipankar, Addl. Prof., AIIMS Mangalagiri
North Zone: Dr. Sabita Yograj, Prof. & Head, GMC, Kathua

Central Executive Body Members

- Dr. Ajay Bhatt**, Professor and Head, Department of Physiology, M. G. M. Medical College, Indore (M.P.)
Dr. Anandhalakshmi S., Professor & Head, Department of Physiology, AIIMS Madurai, Tamilnadu
Dr. Anil Warkar, Professor and Head, Physiology, IGMSC, Nagpur, Maharashtra
Dr. Charushila Rukadikar, Assistant Professor, Physiology, AIIMS, Gorakhpur, U.P.
Dr. Ekta Khandelwal, Additional Professor, Physiology, AIIMS Raipur, Chhattisgarh
Dr. Jolly Bhattacharjya, Assistant Professor Physiology, Gauhati Medical College, Assam
Dr. Kaviraja Udupa, Professor, Neurophysiology, NIMHANS, Bengaluru, Karnataka
Dr. Manjinder Kaur, Additional Principal, Prof & Head, Physiology, Geetanjali Medical College and Hospital, Udaipur, Rajasthan
Dr. Padmaja Hari, Professor, Physiology, MES Medical College, Perinthalmanna, Kerala
Dr. Prafull Kamble, Associate Professor, AIIMS, Bibinagar, Hyderabad, Telangana
Dr. Prasunpriya Nayak, Professor, Physiology, AIIMS Jodhpur, Rajasthan
Dr. Rajay Bharshankar, Professor & Head, Physiology, AIIMS, Bhopal, Madhya Pradesh
Dr. Rajeev Sharma, Dean, Professor & Head Physiology, Guru Gobind Singh Medical College & Hospital, Faridkot, Punjab.
Dr. Rupali Keshavrao Parlewar, Professor & Head, Physiology, AIIMS Bilaspur, Himachal Pradesh
Dr. Sandip Sardesai, Professor, Physiology, Goa Medical College, Goa
Dr. Sudhanshu Agrawal, Professor & Head, Physiology, NCRIMS, Meerut, Uttar Pradesh
Dr. Tribhuwan Kumar, Professor & Head, Physiology, AIIMS Patna, Bihar
Dr. K. C. Thirupathy, Dean, Director-Professor, Physiology, Government Medical College, Chidambaram (Cuddalore District), Tamil Nadu.
Dr. Y. Dhanalakshmi, Head Quarter Office Secretary (ASSOPI), Professor, Physiology, JIPMER
Ms. M. Renugasundari & Dr. Manjulata, Office Secretaries to General Secretary, ASSOPI

Note: The time and Date of the Executive body and General body meetings of ASSOPI will be declared in due course of time.

अखिल भारतीय आयुर्विज्ञान संस्थान पटना ALL INDIA INSTITUTE OF MEDICAL SCIENCES PATNA

About AIIMS Patna !

AIIMS Patna, situated in the capital city of Bihar, is a leading medical institution in the country committed to delivering outstanding healthcare services and advancing medical research. Established in 2012 as the first among the Six new AIIMS with the goal of becoming a center of excellence in Medical Education and Patient Care. AIIMS Patna consistently strives for excellence in its pursuits of the best in Academics, Patient Management, Teaching & Training, Campus, Faculty & Student Developments and Administration of International Standards. The Institute is dedicated to serve even the most underserved individuals with cutting-edge, in-house facilities.

Under the insightful and astute leadership of the **Hon'ble Executive Director & CEO, Dr. Gopal Krushna Pal**, AIIMS Patna has earned global recognitions. In 2023, it was acknowledged as one of the world's best hospitals in India by Newsweek-Statista, an independent analysis by a global agency of USA. Furthermore, AIIMS Patna secured the 27th position in the medical category among the top 50 medical institutes in the **NIRF Rankings of 2023**, conducted by the Ministry of Education, Government of India.

Additionally, AIIMS Patna proudly holds the title of **1st Position among all the hospitals** in the country for generating ABHA Health Records of Ayushman Bharat Digital Mission (ABDM) scheme. AIIMS Patna is rated as the **10th best Medical University** in the country by the India Today ranking 2023.

AIIMS Patna has been selected for Atal Incubation Center under Atal Innovation Mission of the Ministry of Science and Technology, Govt. of India. Further the Department of Health Research of ICMR (DHR-ICMR project) has selected AIIMS Patna for the 'DIAMOnDS' project & NIDAN project. The faculty members of the Institute received more than 30 crores of extramural funding in last one year, one of the highest figure among all the new AIIMS.

Department of Physiology, AIIMS Patna !

The Department of Physiology at AIIMS Patna, under the able leadership of the visionary Executive Director, Prof. G. K. Pal has reached newer heights and has redefined education and training in the field of physiology and established a new role of physiologists in the society by starting DM course in Clinical and interventional Physiology, a first of its kind of course in the global arena. The Department houses more than 12 clinical patient care as well research labs in the department catering more than 5-7 thousands of patients every year. There are 14 teaching faculties, 8 Senior Residents /year and 7 MD Residents/year. The Department provides patient care services in Yoga Therapy, Student Counselling and patient investigations for infertility treatment, Sleep Disorders, Neuro Diagnostics Services such as EEG, EMG, IONM and Evoked Potentials, Autonomic Function investigations such as CAFT & HRV, Cardiovascular Investigations such as Echocardiography, Colour Doppler, Treadmill, Tilt Table, Cardiac Output Monitoring, Blood Pressure Variability including Baroreflex Sensitivity. The department has established its standing as one of the best in the country in providing teaching, training, research investigations and patient services of highest order of global standards. Physiology Department plays pivotal role in the Experimental Medicine Research as part of Central Animal Research Facility.

Greetings from FIPS-ASSOPICON 2024 organizing team!

The current state of clinical and interventional physiology in India represents a dynamic synthesis of traditional medical practices and rapid technological advancements. The escalating focus on personalized medicine has given rise to a proliferation of cutting-edge diagnostic tools and interventional methodologies, ranging from non-invasive monitoring systems to sophisticated procedures. This burgeoning landscape is marked by collaborative research endeavors involving healthcare professionals, researchers, and technology experts, fostering a comprehensive approach to patient care. Looking ahead, the future horizon for clinical and interventional physiology in India is exceptionally promising. The imminent integration of Artificial Intelligence, Genomics, and Precision Medicine is set to revolutionize diagnostic procedures and treatment methodologies. As the healthcare landscape evolves, there is a growing recognition of the imperative for interdisciplinary collaboration to fully harness the potential of physiological sciences.

The ASSOPI Bihar chapter, the most recently established branch of ASSOPI, is co-hosting the event with full vigour and enthusiasm along with the department of Physiology AIIMS Patna. ASSOPI- Bihar chapter thrives to establish physiology as a clinically established branch of medicine in this part of the nation and aims to extend the clinical services to the most deprived segment of the society.

The Chief Patron, Executive Director & CEO of the Institute, Dr. G. K. Pal takes pleasure in joining the team of Department of Physiology along with ASSOPI-Bihar chapter in earnestly welcoming to the mega academic feast of FIPS-ASSOPICON 2024 to ponder upon the opportunities and challenges of Clinical and Inter-ventional

Major Activities at a Glance

Workshops & CMEs

1. Interventional Physiology : DBS, VNS & Bio-Feedback
2. Clinical EEG- Recording & Interpretation
3. Classic (Conventional) Autonomic Function Tests & HRV
4. Electro- Neuro- Myography Assesment and Reporting
5. Intra Operative Neuro Monitoring (IONM)
6. Yoga as Therapeutic Modality
7. Cardiovascular Fitness Assessment
8. Polysomnography: Recording and Interpretation
9. How to publish Research Article in a Pubmed indexed Journal *(the experts and senior editors of reputed journals will organised the workshop)*
10. Male infertility Assessment and Reporting
11. Proposal writing for Grant Project (Extramural Funding) *(The experts from ICMR DBT, DST will be part of workshop resource persons)*
12. Role of Animal Experiments in Reseach

Plenary Lectures

Proposals for Plenary Lectures will be invited from eligible Researchers, Academicians, Clinicians under various themes of the confrence

Poster Presntations

Compose a concise abstract outlining the poster's purpose, methods, key findings, and significance. Limit length to meet conference specifications, maintaining clarity. Highlight the research's innovation and relevance, enticing attendees to explore the full poster for a comprehensive understanding of the study's contributions and implications.

Key Note Address

Every day two Key Note Addresses (one each of FIPS and ASSOPI) will be delivered by Academicians/ Researchers of high repute, invited by the Organising Team.

Orations

Everyday two Orataions (one each of FIPS & ASSOPI) will be delivered by Academicians of high repute, invited by the Organizing Team

Symposia

Symposia will be invited from the Experts of their Respective Fields under various Symposia Themes including Neuro Physiology, Cardiovascular Physiology, Sleep, Medical Education, Recent Advances etc. Further, there will be 2 special symposia, one each sponsored by
(i) Indian Academy of Biomedical Sciences (IABS)
(ii) South Asian Association of Physiologists (SAAP)

Panel Discussion

Dynamic panel discussions engage diverse perspectives, guided by a skilled moderator. Relevant topics, interactive audience participation, and concise summarization define the prime activities, fostering enriched conference experiences.

Free Paper Presentations

The Delegates interested in Oral or Poster Presentations are Expected to Submit thier High Quality Original Research Abstrats for Presentations During the confrence. A Robust Scientific Committee will ensure selection of only Good quality Abstracts for Presentations during the conference. Awards will be given in different Categories for the Oral or Poster Presentations

Nobel Laureate Lectures

Special Lectures from Nobel Laureates in the field of Medicine and Physiology will be one of the notable attractions, for which the sincere efforts are being made. Details will be shared soon.

Eligibilities for various nominations and invitations

Symposia Invitations/ Nominations

Symposia are invited from the experts of their respective Fields preferably under following broad themes:

- Advances in Cardiac physiology
- Novel Approaches in Autonomic Function Testing
- Hypertension management Mechanic aspects from a physiologist view points
- Neurophysiology Monitoring: Current Updates
- Biomarkers in Cardiovascular Disease
- Clinical Applications of Exercise Physiology
- Innovations in Hemodynamic Monitoring -fNIRS and BRS
- Current Trends in Renal Physiology Research
- Interventional physiology in Diabetic Management
- Physiological Basis of Sleep Disorders
- Endocrine Dysfunction: Recent updates
- Impact of Obesity on Metabolic Physiology
- Advances in Pediatric Physiological Assessment
- Integrative Physiology Approaches to Pain Management
- Neurophysiology in Clinical Practice: From Brain Imaging to Interventional Neurology
- Physiological Basis for Healthy Aging for achieving it.
- Gastrointestinal Physiology and Interventional Gastroenterology: Current Trends and Future Directions
- Precision medicine: The personalized approach to diagnosis and treatment
- Reproductive Physiology: From Fertility Enhancement to Assisted Reproductive Technologies
- Environmental Physiology: Adaptations and Interventions in Extreme Conditions
- Any other symposia topic proposed by expert groups.

Eligibility:

- The faculty/expert proposing symposia are expected to have sufficient academic and research experience in the proposed field.
- He/she (Leader/ proposer of symposium) should have at least 5 PubMed publication in the related field and each speaker of the symposium should have atleast 2 PubMed Publications.

Free Paper and Poster Invitation

The delegate interested in the oral/ poster presentations are expected to submit their high quality original research abstracts for presentation during the conference. A scientific committee to scrutinize the abstract will ensure selection of only good quality abstract for presentation during the conference. Few best free paper and poster awards will be given to the oral poster presentations in different categories during the conference.

Eligibility:

1. Only original articles which has not be published any where in any form, may be submitted.
2. A 250 word formatted abstract is to be submitted which should have headings including-
 - a. Background and Objectives
 - b. Methods
 - c. Result
 - d. Conclusion
 - e. Key-words (4-5)
3. After acceptance of the abstract under oral/ poster category, the researcher will be expected to present the same during the conference in prescribed form.
4. In case of a thesis abstract, an endorsement from their respective guide and head of the department will be compulsory in absence of which the entry may be rejected.

Note: All the Proposal for various activities must be submitted on/or before the last day of submission (31st May 2024)

Guidelines

Guidelines for Keynote Address:

1. The keynote speaker must have outstanding expertise and stature in the field related to the conference theme. They should have a home recognition as a leader, pioneer or authority on area of the keynote speech.
 2. The speaker's expertise and topic should be highly relevant to the subject matter and audience of the conference.
 3. The speaker should be well-known enough to attract interest, attendees and attention to the conference.
 4. The speaker needs to be available to deliver the keynote live at the date, time and location of the conference.
- Though the keynote speaker will preferably be nominated by the organizing team, proposal for keynote address is also welcome. In case of a proposed keynote address, the speaker must register herself/himself.

Guidelines for proposing Symposia:

1. The symposium topic should align clearly with the scope & themes of the conference and make a strong case for its importance and timeliness.
2. States the overall goals of the symposium and expected outcomes. What issue will it address?
3. Provides a detailed agenda and schedule. Allowed duration: 1 hour and 30 minutes (Q&A: 10 mins), No. of speakers 4-5.
4. The symposia leader will provide the list of speaker identified and provide their qualifications & expertise (Publications, Awards & research grants). Speakers from different Institute for the same topic are given preference.
5. Describe the target audience and explain how the symposium will be relevant and interesting for them.
6. Provide estimated costs and plans for covering expenses such as speaker travel. A/V needs, etc. It is the responsibility of the symposia leader to arrange the travel expenses and symposia logistics.
7. All the speakers of symposia must register for the conference.
8. Outline plans to promote the symposium through the conference website, email lists, social media, etc. to attract attendees.
9. The faculty/expert proposing symposia are expected to have sufficient academic and research experience in the proposed field.
10. He/she (Leader/ proposer of symposium) should have at least 5 PubMed publication in the related field and each speaker of the symposium should have at least 2 PubMed Publications.

Guidelines of Panel Discussions:

Thorough preparation, a skilled moderator, and diverse perspectives enhance discussion. Structured opening, audience interaction, and effective time management are crucial. Use visual aids judiciously, stay relevant, and handle controversy diplomatically. Conclude with a concise summary. Flexibility is key for a dynamic and successful panel.

Guidelines for proposing Plenary Lecture:

1. The speaker should be a recognized leader in their field with significant accomplishments, expertise, and name reputation.
2. The speaker should have at least 10 PubMed publications and few important awards on the same field of work.
3. The speaker's area of expertise should directly relate to the conference theme and topics. Their presentation should align with the goals and audiences of the event.
4. The plenary speaker should be able to provide new insights, cutting-edge research, future visions or challenging perspectives that stimulate thought and discussion.
5. All the speakers of plenary lecture must register for the conference.
6. The CV of the speaker must accompany the proposal for the plenary lecture.

Guidelines for Lead talk:

The proposal submission should have following components:

1. An abstract in 500 words with brief outline of the content of the proposed talk.
2. A brief CV of the expert (1-2 Page) including his affiliation details.
3. The speaker should have at least 10 PubMed publications and few important awards on the same field of work.

Guidelines for Free Paper/ Poster Presentation:

1. The research or ideas presented in the abstract should be novel and make a new contribution. The work should not have been published elsewhere already. (The work must not have been previously published elsewhere)
2. The abstract should be highly relevant to the theme and topics of the conference. It should fall within the scope and focus of the event.
3. The abstract should highlight the significance and potential impact of the work.
4. The background and objective of the abstract should include, sound methodology, results and a logical conclusion.
5. Abstracts should be one and half - spaced, using 12-point Times New Roman font.
6. Abstracts must not exceed 250 words, excluding the title, keywords, and references.
7. Affiliations should be indicated by superscript Arabic numbers at the end of the surname.
8. All co-authors must be listed and have reviewed the abstract.
9. The abstract must be submitted on or before 31st August 2024 to be considered for acceptance.
10. Posters are not E poster. They are physical poster and one sided. The details of the preparation for poster will be subsequently updated in the website.
11. The delegates desiring to make a free paper/poster presentation must have registered for the conference. The abstract for free paper/poster presentation should accompany the registered number of conference.

Note: The last date of proposal submission for Free paper/Poster Presentation is 31st August 2024.

Registration details:

	Category	ASSOPI Member	Non - Member
Early Bird Registration before (15 th May 2024) <i>Early bird registration ends automatically on 15-05-2024</i>	National Delegates	6000 INR	8000 INR
	Residents/PG/PhD Scholar	3000 INR	5000 INR
	Undergraduate students	2000 INR	3000 INR
	Accompanying person	4000 INR	4000 INR
	Foreign delegates	150 USD	175 USD
	Workshop registration (each)	1000 INR	1500 INR
	CME	500 INR	700 INR
Regular Registration from (16 th May to 31 st August, 2024) <i>Regular registration ends automatically in the website on 31-08-2024</i>	National Delegates	8000 INR	10000 INR
	Residents/PG/PhD Scholar	4000 INR	5000 INR
	Undergraduate students	2500 INR	3500 INR
	Accompanying person	5000 INR	5000 INR
	Foreign delegates	200 USD	225 USD
	Workshop registration (each)	1500 INR	2000 INR
	CME	600	750 INR
Late Registration 1 st September to 15 th October 2024	National Delegates	10000 INR	12000 INR
	Residents/PG/PhD Scholar	5000 INR	6000 INR
	Undergraduate students	3500 INR	4000 INR
	Accompanying person	6000 INR	6000 INR
	Foreign delegates	NA	NA
	Workshop registration (each)	2000 INR	2000 INR
	CME	750 INR	800 INR
Very Late & On Spot Registration (No Workshop Registration)	National Delegates	12000 INR	15000 INR
	Residents/PG/PhD Scholar	5500 INR	6500 INR
	Undergraduate students	4000 INR	4500 INR
	Accompanying person	6000 INR	6000 INR
	Foreign delegates	NA	NA
	CME	800 INR	1000 INR

- ◆ For attending the workshops, the conference registration is mandatory.
- ◆ Student Delegates need to submit a Bonafede certificate from his/ her guide endorsed by HOD
- ◆ The benefits of registration include conference/workshop kit, Breakfast, Lunch, Tea / snacks during the conference and Gala Dinner/ Banquet.

NB: (i) Accommodation and transportation will not be included in the conference/workshop registration.

(ii) Refunds of conference registration fee may be considered upon production of valid reasons upto a limited amount and time. For refund details, please visit website.

For further assistance and query, please contact

In & Around Patna!

Bihar School of Yoga, Munger (182 Km)

Situated at the bank of river Ganga in Munger district of Bihar the Bihar School of Yoga is a modern school of yoga founded and developed by Sri Swami Satyananda Saraswati in Munger, Bihar known across the globe as School for Satyananda Yoga tradition, also received prime ministers award for excellence recently.

Patna Sahib Gurudwara (20 Km)

Patna Sahib Gurudwara, also known as Takht Sri Harmandir Sahib, is a significant Sikh pilgrimage site in Patna, Bihar. Located about 20 km northeast of AIIMS Patna, it holds great religious importance as it is believed to be the birthplace of Guru Gobind Singh, the 10th Sikh Guru.

Kumhrar Park (18 Km)

This is an archaeological site showcasing the remains of the Mauryan city of Pataliputra. Notably, the foundations of a pillared assembly hall, known as the "Halls of Thousand Pillars," This site offers a fascinating glimpse into the historical significance of Pataliputra, the capital of the Maurya Empire.

Bodhgaya (121.8 Km)

Bodh Gaya located in the Indian state of Bihar, is a sacred pilgrimage site for Buddhists worldwide. It is renowned as the place where Siddhartha Gautama, the Buddha, attained enlightenment under the Bodhi tree. The Mahabodhi Temple, a UNESCO World Heritage site, stands at the heart of the complex, showcasing intricate carvings and architecture. Pilgrims from diverse cultures visit to meditate and pay homage to the spiritual significance of Bodh Gaya. The serene ambiance and historical importance make it a revered destination in the Buddhist tradition.

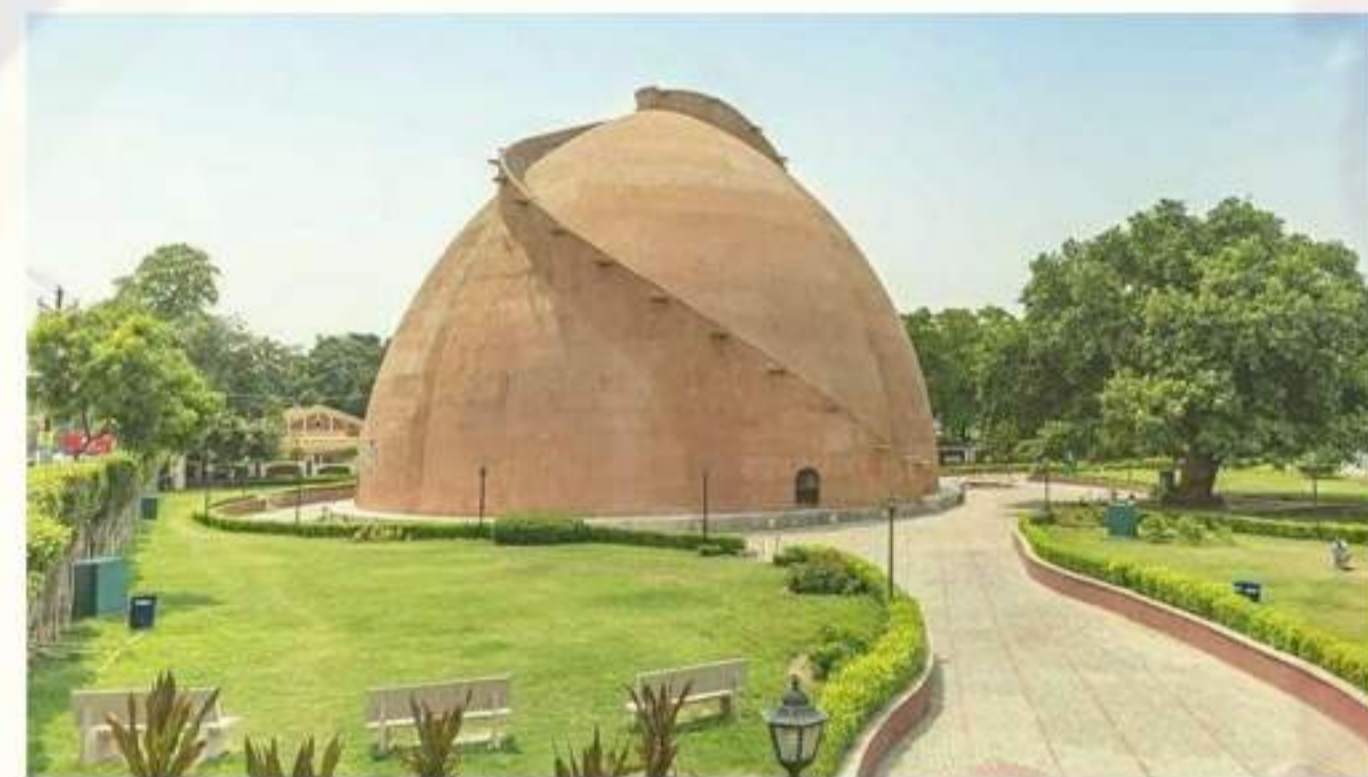

Nalanda Ruins (90 Km)

Nalanda Ruins, a UNESCO World Heritage site, lie about 90 km southeast of AIIMS Patna. Once the seat of Nalanda University, these ancient remnants bear witness to the region's profound intellectual and cultural history.
